RAPPORT DU VÉRIFICATEUR

À l'Agent Principal du :

PARTI MARIJUANA / MARIJUANA PARTY

J'ai vérifié le bilan du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2001 ainsi que les états des résultats et de l'évolution des actifs nets de l'exercice initial du 6 novembre 2000 au 31 décembre 2001. En qualité d'agent principal du parti, c'est à vous qu'incombe la responsabilité de l'information financière contenue dans ces états financiers. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

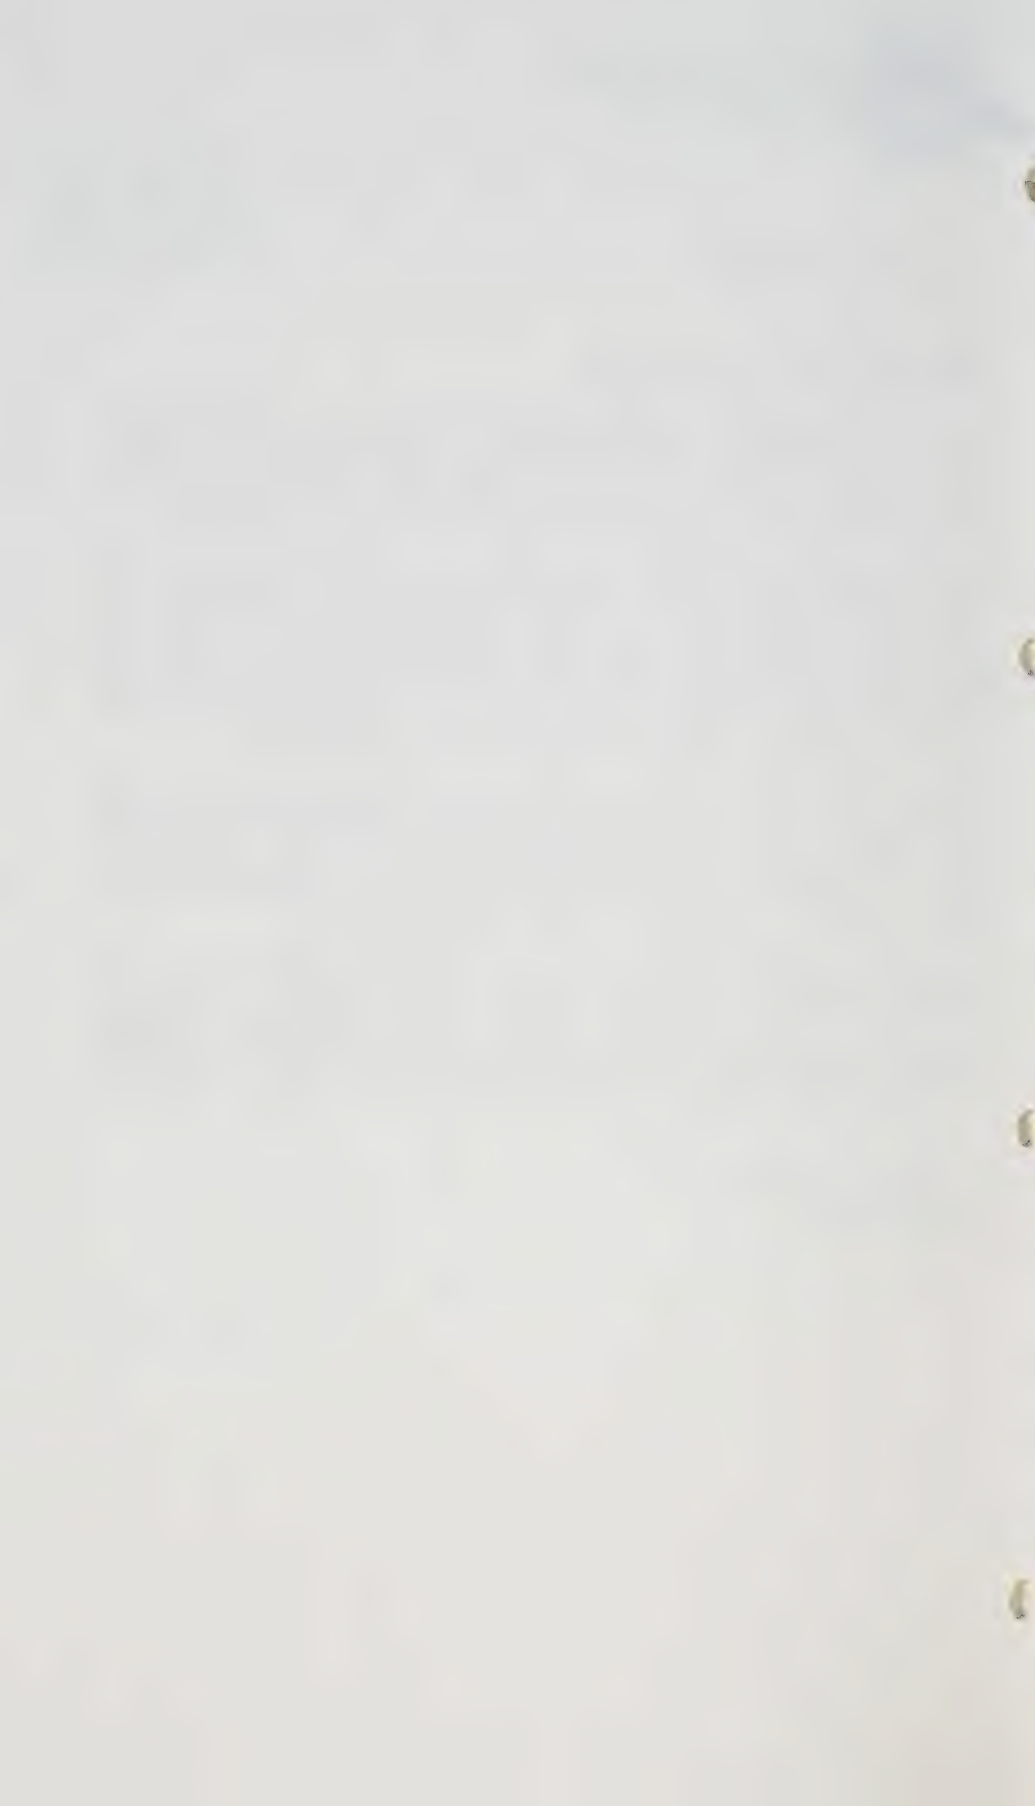

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

A mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2001 ainsi que des résultats de son exploitation pour l'exercice initial du 6 novembre 2000 au 31 décembre 2001 selon les principes comptables généralement reconnus du Canada.

COMPTABLE AGRÉÉ

1. ENREGISTREMENT ET OBJET DU PARTI

Le parti a obtenu le statut de parti politique enregistré le 6 novembre 2000 et a comme objet d'obtenir la légalisation de la marijuana.

2. CONVENTIONS COMPTABLES

Les états financiers ont été dressés selon les principes comptables généralement reconnus du Canada et tiennent compte des principales conventions comptables suivantes :

Constatation des produits

Les contributions sont considérées comme ayant été reçues au cours de l'année pour laquelle un reçu a été émis. Les autres produits sont considérés sur une base d'exercice.

Charges payées d'avance

Les frais engagés au cours de la période comprise entre la date de création du parti et la date d'enregistrement du parti ont été présentés comme charges payées d'avance.

Produits reportés

Les contributions et les adhésions de membres perçues au cours de la période comprise entre la date de création du parti et la date d'enregistrement du parti ont été présentées comme produits reportés.

Apports reçus sous forme de services

Les bénévoles sont des ressources humaines qui aident le parti à assurer la prestation de ses services. Étant donné qu'il est difficile de déterminer la juste valeur des apports reçus sous forme de services, ceux-ci ne sont pas constatés dans les états financiers.

3. FLUX DE TRÉSORERIE

L'état des flux de trésorerie n'est pas présenté car il n'apporterait pas de renseignements supplémentaires utiles pour la compréhension des flux de trésorerie de l'exercice.

RAPPORT DU VÉRIFICATEUR

À la Direction du Financement des Élections
ÉLECTIONS CANADA

J'ai vérifié le rapport financier du **PARTI MARIJUANA / MARIJUANA PARTY**, exigé en vertu de l'article 424 de la Loi électorale du Canada, pour l'exercice initial du 6 novembre 2000 au 31 décembre 2001. La responsabilité de l'information financière contenue dans ce rapport financier incombe à l'agent principal du parti. Ma responsabilité consiste à exprimer une opinion sur ce rapport financier en me fondant sur ma vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, ma vérification a été effectuée conformément aux normes de vérification généralement reconnues du Canada, et était destinée à me permettre d'exprimer une opinion conformément au paragraphe 426(1) de la Loi électorale du Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que le rapport financier est exempt d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans le rapport financier. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par l'agent principal du parti, ainsi qu'une appréciation de la présentation d'ensemble du rapport financier.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le parti tire une fraction importante de ses produits de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, ma vérification de ces produits s'est limitée aux montants comptabilisés dans les livres du parti et je n'ai pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des produits sur les charges, de l'actif ou de l'actif net.

A mon avis, à l'exception de l'effet des éventuels redressements que j'aurais pu juger nécessaires si j'avais été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ce rapport financier donne, à tous les égards importants, une image fidèle de la situation financière du **PARTI MARIJUANA / MARIJUANA PARTY** au 31 décembre 2001 ainsi que des résultats de son exploitation pour l'exercice initial du 6 novembre 2000 au 31 décembre 2001 selon les principes comptables généralement reconnus du Canada.

RAPPORT DU VÉRIFICATEUR

À l'agent principal du
PARTI MARXISTE-LÉNINISTE DU CANADA

J'ai vérifié le rapport financier du «Parti Marxiste-Léniniste du Canada» comprenant l'état de l'actif et du passif au 31 décembre 2001 et l'état des recettes et des dépenses de l'exercice terminé à cette date. La responsabilité de ce rapport et de ces états financiers incombe à la direction du parti. Ma responsabilité, en vertu de la Loi Électorale du Canada, consiste à exprimer une opinion sur ce rapport et ces états financiers en me fondant sur ma vérification.

Ma vérification a été effectuée conformément aux normes de vérification généralement reconnues. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que le rapport et les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

À mon avis, ce rapport donnent, à tous les égards importants, une image fidèle des renseignements contenus dans les écritures comptables sur lesquelles ils sont fondés pour l'exercice terminé le 31 décembre 2001 selon les principes comptables généralement reconnus du Canada.

Rapport du vérificateur

J'ai vérifié le bilan de l'Association du Nouveau parti démocratique au 31 décembre 2001 et les états des revenus et dépenses, de l'avoir des membres et de l'évolution de la posture financière de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe au Nouveau parti démocratique. Ma responsabilité consiste à exprimer une opinion sur ces états financiers en me fondant sur ma vérification.

Ma vérification des états financiers du Bureau fédéral du Nouveau parti démocratique a été effectuée conformément aux normes de vérification canadiennes généralement reconnues. Les normes exigent que la vérification soit planifiée de manière à fournir un degré raisonnable de certitude quant à l'absence d'inexactitudes importantes dans les états financiers. La vérification comprend l'examen par sondages des informations probantes à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction. Pour les autres ailes du Nouveau parti démocratique, je me suis fié aux états financiers fournis par les vérificateurs qui ont examiné ces dits états financiers.

Tous les états financiers sur lesquels je me suis fié ont été vérifiés et sans réserve sauf pour une limitation générale sur la vérification des revenus – qu'il n'était pas possible, compte tenu la nature des revenus, de vérifier les revenus au-delà des traitements comptables des reçus tels que versés aux livres comptables. De façon générale, l'examen n'était pas conçu pour déterminer l'étendue des omissions, le cas échéant, des dossiers comptables.

À mon avis, sujet aux limitations, ces états financiers présentent fidèlement, à tous égards importants, la situation financière du Nouveau parti démocratique au 31 décembre 2001, ainsi que les résultats de ses activités pour l'exercice terminé à cette date selon les principes comptables canadiens généralement reconnus.

Auditor's Report
(Pursuant to Sections 424(2)(f) and 424(2)(g) of the Canada Elections Act)

New Democrats of Canada Association
802 - 85 Albert Street
Ottawa, Ontario
K1P 6A4

I have audited the balance sheet of the New Democratic Party as at December 31, 2001 and the statements of revenue and expenses, members' equity and financial transaction return for the year then ended. These financial statements are the responsibility of the New Democrats Party. My responsibility is to express an opinion on these financial statements based on my audit.

My audit, of the financial statements of the New Democratic Party Federal Office, was conducted in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management. For the remaining New Democratic Party organizations, I have relied on the reports of the auditors who have examined these financial statements.

All of the financial reports on which I have relied were audited and unqualified except for a general limitation on the verification of revenue - that it was not possible because of the nature of revenue, to verify income beyond accounting for the receipts as recorded in the books. Generally, examinations were not designed to determine the extent of omissions, if any, from the accounting records.

In my opinion, subject to the above limitation, these financial statements present fairly, in all material respects, the financial position of the New Democratic Party as at December 31, 2001 and the results of its operations for the year then ended in accordance with Canadian generally accepted accounting principles.

We have audited the statement of party's assets and liabilities of the Natural Law Party of Canada as at December 31, 2001 and the statement of party's revenues and expenses for the year then ended. This statement is the responsibility of the chief agent of the party. Our responsibility is to express an opinion on the statements based on our audit. Our audit was designed to enable us to report as required under the Canada Elections Act and as such, included a general review of the accounting systems and such tests and other procedures as we considered necessary in the circumstances, except as noted in the following paragraph.

The Act does not require us to report that the accounting records include all transactions of the Party and, thus, our audit was not designed to determine the extent of omissions, if any, from the accounting records.

In our opinion, the statement of receipts and expenditures of the Natural Law Party of Canada presents fairly, in all material respects, the information contained in the accounting records on which the return is based.

Auditors' Report

Directors of PC Canada Fund
Progressive Conservative Party of Canada

We have audited the balance sheet of the Progressive Conservative Party of Canada (the Party) as at December 31, 2001 and the statements of revenue and expenses and of changes in net assets for the year then ended. These financial statements are the responsibility of the Party's management. Our responsibility is to express an opinion on these financial statements based on our audit.

Except as explained in the following paragraph, we conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance whether these financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements' presentation.

In common with many not-for-profit organizations, the Party derives a substantial portion of its revenue from contributions, the completeness of which is not susceptible of satisfactory audit verification. Accordingly, our verification of revenue from this source was limited to accounting for the amounts recorded in the books of the Party and we were not able to determine whether any adjustment might be necessary to contributions revenue, excess of revenue over expenses (expenses over revenue), assets or net assets.

In our opinion, except for the effect of adjustments, if any, which we might have determined to be necessary had we been able to satisfy ourselves concerning the completeness of the contributions referred to in the preceding paragraph, these financial statements present fairly, in all material respects, the financial position of the Party as at December 31, 2001 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

Aux administrateurs du Fonds PC du Canada
Parti Progressiste-Conservateur du Canada

Nous avons vérifié le bilan du Parti Progressiste-Conservateur du Canada (le Parti) au 31 décembre 2001 et les états des revenus et dépenses et des variations de l'actif net de l'exercice terminé à cette date. La responsabilité de ces états financiers incombe à la direction du Parti. Notre responsabilité consiste à exprimer une opinion sur ces états financiers en nous fondant sur notre vérification.

À l'exception de ce qui est mentionné dans le paragraphe ci-dessous, notre vérification a été effectuée conformément aux normes de vérification généralement reconnues au Canada. Ces normes exigent que la vérification soit planifiée et exécutée de manière à fournir l'assurance raisonnable que les états financiers sont exempts d'inexactitudes importantes. La vérification comprend le contrôle par sondages des éléments probants à l'appui des montants et des autres éléments d'information fournis dans les états financiers. Elle comprend également l'évaluation des principes comptables suivis et des estimations importantes faites par la direction, ainsi qu'une appréciation de la présentation d'ensemble des états financiers.

Comme c'est le cas dans de nombreux organismes sans but lucratif, le Parti tire une fraction importante de ses revenus de contributions pour lesquelles il n'est pas possible de vérifier de façon satisfaisante si elles ont toutes été comptabilisées. Par conséquent, notre vérification de ces revenus s'est limitée aux montants comptabilisés dans les livres du Parti et nous n'avons pas pu déterminer si certains redressements auraient dû être apportés aux montants des contributions reçues, de l'excédent des revenus sur les dépenses (dépenses sur les revenus), de l'actif ou de l'actif net.

À notre avis, à l'exception de l'effet des éventuels redressements que nous aurions pu juger nécessaires si nous avions été en mesure de vérifier si les contributions mentionnées au paragraphe précédent ont toutes été comptabilisées, ces états financiers donnent, à tous les égards importants, une image fidèle de la situation financière du Parti au 31 décembre 2001, ainsi que des résultats de son exploitation et de ses flux de trésorerie pour l'exercice terminé à cette date selon les principes comptables généralement reconnus au Canada.
